PUBLIC NOTICE

ILLEGAL ACTIVITIES WITHIN CDC PLANTATIONS

It has been noted with dismay that some unscrupulous individuals are taking advantage of the current Socio-Political crisis rocking the South West and North West Regions which has resulted to insecurity to;

1. Illegally occupy some parcels of CDC leasehold land,
2. Engage in the illegal sales of CDC leasehold land,
3. Vandalise CDC infrastructure,
4. Plant permanent crops on CDC leasehold land which is proscribed,
5. Plant seasonal crops on CDC leasehold land without approval,
6. Illegally enter into CDC plantations and harvest CDC crops (rubber, banana fresh oil palm fruits bunches) for disposal,
7. Illegally enter CDC plantations and indiscriminately fell live rubber trees for domestic and commercial purposes.

Let it be known that anybody caught causing harm to CDC in any of the instances mentioned above shall be immediately handed to the appropriate quarters for prosecution.

We equally use this medium to appeal to the public to assist CDC to combat these ills which are threatening her very existence.
