ATTACK ON CDC WORKERS IN PENDAMBOKO

Unidentified armed men attacked the home of the Rubber Factory Manager of PendaMboko, Mr. Ali-Malex Achalle. The attack occurred yesterday 13th August, 2020 at about 1 a.m. The assailants shot a 16-year old student who was reportedly writing the General Certificate of Education Examinations (G.C.E), Agbor Mbi. He died on the way to the hospital in Mbanga.

The house of the Factory Manager was set ablaze. His private vehicle and the Corporation's Supervision vehicle were equally burnt down. The Factory Manager and three (03) Watchmen (Messrs Nkemasong Nicasius, Achou Roland and Tawlan Peter, aged 48, 49 and 60 years respectively) were kidnapped. As at Press time, their whereabouts are unknown. The deceased student was a nephew to Mr. Agbor Samuel, a watchman in the Matouke Rubber Project. Attacks of similar nature on CDC Personnel, their dependants and property have been recurrent since the advent of the socio-political crisis rocking the South West and North West Regions.

The General Manager of the Cameroon Development Corporation (CDC), strongly condemns this vicious attack on CDC Personnel, their dependants and property.

The incident has been reported to the Administration and the Forces of Law and Order for investigation.
